

ANGKOR PASS OFFER

Choose your tour according to the type of Angkor pass you are thinking of purchasing:

1 DAY ANGKOR WAT PASS OFFER

In case you arrive in Siem Reap in the morning or afternoon, we recommend you to make the most out of your 1-day Angkor Park Pass:

.Purchase your ticket in advance (one day before the actual visit) and enjoy a first glance of the park, a temple and sunset the evening before.

SUGGESTED TIMETABLE

Day 1

4:15pm departure from the 1920 Hotel direction Ticket Booth to purchase your ticket. (Please note that tickets for the following day are only available from 4:45pm onwards)

After purchasing your ticket, you'll have time to visit one temple, and look for a nice spot to see sunset. We highly recommend visiting the temples around the Srah Srang area like Banteay Kdei Temple, Prae Roup or Prasat Kravan to avoid the large crowds that gather around Phnom Bakheng and Angkor Wat during sun set.

After visiting your first temple, look for a nice spot around the east side of Srah Srang for a formidable sunset. You'll be heading back to town or the hotel around 6:30/7:00pm.
